Subject : Advanced Stereo Rhomboids Produced under
Contract [REDACTED]

Reference: [REDACTED] Letters, dated June 23, 1967 and
August 23, 1967

Gentlemen:

Confirming verbal authorization of 12 September 1967, permission is hereby granted to exhibit a unit from the current production order at the Semi-annual Meeting of the American Society of Photogrammetry. As required by the contract, no association of the sponsor with this equipment can be revealed.

This letter shall also serve as authorization to produce this equipment for sale to other Government agencies or commercial users. However, such authorization is subject to the requirement that this office be advised as to the pricing in any sales to Government agencies.

Very truly yours,

[REDACTED]
Contracting Officer
